## **REPORTS & COMMUNICATIONS FROM THE MAYOR/SAFETY DIRECTOR**

Mayor Vanni welcomes everyone to the meeting. Nick Janek, the Liaison to the Lake County Health District is here.

Mr. Janek says Lake County General Health District sampled 10 pools of water for mosquito borne viruses. They have trapped mosquitos that are carriers for West Nile Virus. No cases of trapped mosquitos carrying Encephalitis. No cases of West Nile Virus within the Lake County and Geauga County population so that is good news. Spraying for mosquitos will continue throughout next week. Willowick was scheduled for Thursday. The second item is an update for Lake, Geauga, WIC. Quick update- WIC provided assistance to 1700 families last year, over 3000 families this year. 4000 amounts of milk have been collected from pre-screened individuals. On 9-16-2024 the Lake County General Health District voted unanimously to grant permission to accept the WIC Administration Fiscal Year 25 grant of \$953,876 to continue this program. That is all he has to report.

Mayor Vanni thanks him for his time. He met with Vine Street Corridor at Laketran. There is another meeting October 1 and will finalize the scope at that meeting. Hopefully that will be submitted to Laketran after that meeting and then to ODOT. That is for the new lighting. He will have more to report at the meeting on the 1<sup>st</sup>. They are making progress. Last Wednesday, he met with Paul Palagyi from Lake County Metroparks. They went to see if there was any erosion and what everything looked like. The contract is up at the end of the year. They had a good meeting. He was glad to see the house down, it's been a waiting game for 5 years. He got some good news today regarding Willowick Café.. They came to the City to talk about renovating and putting in a new restaurant/bar. They have been working with NOPEC to get a grant for renovation help. They are very close, should have paperwork next week. Aaron from NOPEC has agreed to come talk to Council regarding this ESID (Energy Special Improvement District). They would be the first in Willowick.

Mayor Vanni also says they just found out that they received a grant for SS4A (Safe Streets and Roads for All) that they applied for in May. Remember, at budget time they wanted to do an up to date traffic study at 305 and Rt. 2. They budgeted \$35,000 for that study, but then he saw the opportunity for the grant. He thanks Tim and Todd for getting that together. They received \$160,000 to do that corridor and all other main ones. Match is 25%. Basically, they will get a comprehensive safety traffic study for the whole City for \$5,000 more than they budgeted for just one. That is great news. He'll have more information about next steps in the next couple weeks.

Mayor Vanni wants to talk about sewer rates also. Good news is they are ahead on collecting delinquencies. Right now they are at \$379,000 which is a lot better than projected. On the downside, he got the report finally from Euclid. Every year they give them a sewer rate report. This year and last year they raised rates. It is not officially changed yet, but he spoke with their Service Director and he said it looks like the rate increase might be similar to what it was this year. Obviously, he is not happy to hear that. This information changes everything. Euclid is having a meeting next Tuesday at City Hall at 6:30. He encourages everyone on Council to be there. He will also be there. That's when they will start proposing these rates.

Mayor Vanni also says he was asked to sit on a panel with Wickliffe's Mayor and Judge Malcheski for the Coalition for Affordable Housing in Lake County. He enjoyed being able to promote the City for everything they have done including the Senior Rec Center, Meals on Wheels, etc. It's always fun to go brag about the City. Last weekend was really great. Saturday they had fill the cruiser event. They set a record from last year. He thanks the Police Department. They sponsored it twice this year in Willowick. Pie Café 4 months ago and then Peties on Saturday. They raised the most they have. All those donations are for Willowick residents (minus like a small 2% portion that goes to Eastlake). Sunday they had a pancake breakfast at the Senior Center. It was packed. They ran out of tables even. Butterfly Garden Ceremony was a success. It was a beautiful memorial service. There was also the last Concert at the Park at the Lakefront Lodge. 4 really great events over the weekend.

Lastly, he adds that next Saturday is Relay for Life. You do not have to walk it, but can donate to Team Willowick online. He is judging the Burger Contest. One of the restaurants- Timber Social- is from Willowick. Great cause, all money for fighting cancer. This is in Downtown Willoughby from 2-9.
