

"Santa's on the Phone!!"

Presented by the Willowick Recreation Department

Dear Parent:

Just imagine your child's excitement when they receive a personal phone call from Santa! The "Santa's Calling" program is hosted by the Willowick Recreation Department. Calls will be made on Monday, December 16th between 7:00 and 8:00pm. This free program is for Willowick children between 3 and 8 years old. By filling out the questions listed below and returning it to the Willowick Recreation Department, your child will receive a direct call from "Santa." Due to the large number of calls that Santa will be making, we cannot guarantee a specific time of calling. However, every attempt will be made to call the younger children first. Forms must be returned to the Recreation Department or e-mailed to sritchey@cityofwillowick.com no later than 5:00pm on Friday, December 15th. If you have any questions call #440-516-3011. Santa's Call will come up "Private." **Merry Christmas to All!**
